The permit may be obtained at the Visitor Center.

- §5.3 Engaging in or soliciting any business (Requires a permit, contract or other written agreement with the United States, or must be pursuant to special regulations).
- §5.5 Commercial Photography/Filming:
 - (a) Commercial filming of motion pictures or television involving the use of professional casts, settings or crews, other than bona fide newsreel or news television
 - (b) Still photography of vehicles, or other articles of commerce or models for the purpose of commercial advertising.

III. GENERAL REGULATIONS

36 CFR §2.1 – PRESERVATION OF NATURAL, CULTURAL AND ARCHEOLOGICAL RESOURCES

(a)(4) Dead wood on the ground may be collected for use as fuel for campfires within the park in the following areas:

- Wood gathering is strictly prohibited

(c)(1), (c)(2) The following fruits, nuts, berries or unoccupied seashells may be gathered by hand for personal use or consumption, in accordance with the noted size, quantity, collection sites and/or use or consumption restrictions:

Maintenance yard
Coronado Cave

Picnicking is allowed in the picnic area, the picnic facility is open to the public on a first come first serve basis. Groups of 30 or more people require a special use permit. An exemption may be given to academic institutions using the park resources and/or facilities to support the educational purpose of the visit.

36 CFR 2.13 – FIRES

(a)(1) The lighting or maintaining of fires is generally prohibited, except as provided for in the following designated areas or receptacles, and under the conditions noted:

Charcoal, wood, and propane fires are permitted in the designated picnic area only and the fire must be confined to a stove or provided grill. Visitors must provide their own wood and/or charcoal, or propane. Wood gathering is strictly prohibited.

(a)(2) The following restrictions are in effect for the use of stoves or lanterns:

- Picnic area only.

(b) Fires must be extinguished according to the following conditions:

- Upon termination of use, with a non-flammable liquid.

(c) High fire danger closures will be in effect as noted:

- Seasonal fire restrictions may prohibit any fire use depending on severity of fire danger level.

36 CFR §2.14 – SANITATION and REFUSE

(a)(2) The use of government refuse receptacles or facilities for dumping household, commercial or industrial refuse, brought as such from private or municipal property may be allowed under the following conditions:

- No household, commercial, or industrial refuse may be dumped in any park receptacle.

(b) Conditions for the disposal, containerization, or carryout of human body waste have been established for the following:

36 CFR §2.15 – PETS

The Nature Trail and the Crest Trail are the only trails where properly leashed pets are permitted. All other trails, undeveloped backcountry, and the visitor center are closed to pets.

(a)(3) Pets may be left tied to an object under the following conditions:

- Leaving pets unattended and secured to an object is not permitted.

(a)(5) Pet excrement must be disposed in accordance with the following conditions:

- Pet owners must collect and properly dispose of any pet excrement deposited from their pet on the Nature Trail near the visitor center.

(e) Pets may be kept by park residents under the following conditions:

- Occupants of Government quarters may have pets under conditions specified in the park housing manual and the Memorial's pet policy.

36 CFR §2.16 – HORSES and PACK ANIMALS

(a) The following animals are designated as pack animals:

- Horses, burros, mules, or other hoofed mammal.

(b) The use of horses or pack animals is permitted on the following trails, routes or areas:

- Pack animals are permitted on the Crest Trail.
- Pack animals are prohibited on all park roads, in the picnic area, visitor center area, visitor center parking lot, the maintenance yard, residential area, and all trails except the Crest trail.
- These rules and regulations do not apply to law enforcement horse patrols.
- Cross country riding is permitted.

(g) Other conditions concerning the use of horses or pack animals:

- Horse transport vehicles left in the Montezuma Pass parking lot shall be removed before dark.
- Loading and unloading of pack animal trailers is allowed on safe pull out areas along paved portions of Montezuma Canyon Road, East Forest Lane, and the parking lot at Montezuma Pass only. Any litter, loose hay, straw, or animal waste shall be cleaned from the pack animal staging area on final departure.

36 CFR §2.20 – SKATING, SKATEBOARDS and SIMILAR DEVICES

The use of roller skates, skateboards, roller skis, coasting vehicles, or similar devices are allowed in the following areas: No areas designated. Similar devices would include motorized devices such as battery or combustion engine devices, Segway type devices.

(a) The following portions of the park, or all or portions of buildings, structures or facilities are closed to smoking:

- Coronado Cave
- Gas pumps, to a diameter of 50 feet
- Paint storage room
- Propane tanks, to a diameter of 50 feet
- All Government buildings
- Maintenance complex
- Public restrooms
- All areas of the Memorial when deemed necessary due to high/extreme fire danger
- Multi-occupancy residences
- All Government Vehicles

36 CFR §2.22 – PROPERTY

(a)(2) The following describes areas where property may be left unattended for periods longer than 24 hours, and the conditions under which property may be left:

- Geocaching or similar activity is not permitted, due to the elements of digging and abandonment of property if left for greater than 24 hours.
- Virtual geocaching, or keeping the cache in an approved area is permitted on a case by case basis.
- Due to the close proximity to the international border, under certain conditions, property may be considered abandoned if left for less than 24 hours.
- Unattended property will be impounded immediately if it is suspected of being involved in illegal activity or in support of protection of life and safety .

36 CFR §2.35 –ALCOHOLIC BEVERAGES and CONTROLLED SUBSTANCES

(a)(3)(i) The following public use areas, portions of public use areas, and/or public facilities within the park are closed to consumption of alcoholic beverages, and/or to the possession of a bottle, can or other receptacle containing an alcoholic beverage that is open, or has been opened, or whose seal has been broken or the contents of which have been partially removed:

The consumption of alcoholic beverages and possession of open receptacles containing alcoholic beverages are prohibited in the Coronado Cave Trail, in Coronado Cave, and the visitor center building, and parking area.

Alcoholic beverages may be consumed in the picnic area.

36 CFR §2.62 – MEMORIALIZATION

(a) Authorization from the Director of the National Park Service is required to install a monument, memorial, tablet, structure, or other commemorative installation in a park area.

(b) A permit is required for the scattering of ashes from cremated human remains in the following areas, and/or according to the following terms and conditions:

- The scattering of human ashes from cremation is allowed pursuant to the following terms and conditions:
 - The remains to be scattered must have been cremated and pulverized.
 - All remains to be scattered within the boundaries of the Memorial must meet all appropriate state laws prior to dispersion.
 - The scattering of remains by persons on the ground is to be performed at least 100 yards from any trail, road, developed facility, or body of water.
 - The scattering of remains from the air is to be performed at a minimum altitude of 2000 feet above the ground.
 - No scattering of remains from the air is to be performed over developed areas, facilities, or bodies of water.
 - No other items may be left such as flowers, urns, photos, crosses, or any other memorial items.
 - Due to the above listed conditions and terms the only locations where this activity can be permitted is on the grasslands and south of the picnic area. There is not sufficient distance from roads, trails, developed facilities for the permitting of scattering at Montezuma Pass or from trails in that area.

36 CFR §4.10 – TRAVEL ON PARK ROADS AND ROUTES

(a) Park roads, open for travel by motor vehicle are those indicated in the following publication:

- Park brochure
- Two, Three and Four wheel ATVs and golf carts must be in compliance with Arizona State laws when operated on park roads.

(b) The following routes and/or areas, designated pursuant to special regulations, are open for off-road vehicle travel under the terms and conditions noted:

None designated

(c)(1) Track-laying motor vehicles or other motor vehicles equipped with a similar traction device may be operated on the following routes under the terms and conditions noted:

None designated.

36 CFR §4.11 – VEHICLE LOAD, WEIGHT AND SIZE LIMITS
